First-Steps & Beginning Classes

Twinkle Stars – Pre-School/Kindergarten

One of our most popular programs. These classes are designed to introduce your 2-6-year-old to dance! The Twinkle Stars program focuses on creative movement, expression, and introductory dance technique. Students will learn both ballet and jazz in these fun and exciting classes. Select the class that fits your dancer's age.

Mini Combo

Geared towards beginner students ages 6-8, the Mini Combo classes combine Jazz & Ballet into one class. This is a great option for dancers who just finished the Twinkle Stars program or are new to dance completely!

Ballet - youth

Taught by our fantastic ballet faculty, this class is designed for our students who have 1 year of previous ballet training. If your student has completed Twinkle Stars or Beginning Combo, this is a great next step!

Ballet - teen

Get ready to explore the world of ballet even more in this intermediate/advanced ballet class. This class is recommended for students who have had at least 2 years of previous ballet training.

Jazz

Upbeat and fast-paced, jazz is a fan favorite style at Dance Gallery. Hone your skills such as leaps, pirouettes, jumps, and kicks while dancing along to classic and modern pop tunes. Students will explore their movement style as well in these classes. Select the class that fits your dancer's age.

Hip Hop

Learn hip hop technique fundamentals such as popping, locking, and grooving as well as stylized movement in our popular hip-hop classes. Select the class that fits your dancer's age.

Tap

Technique and rhythm combine in the world of tap providing a space for students to explore their musicality. Select the class that fits your dancer's age.
